

Once upon a time...

Once upon a time there an
enchanted coral reef.
In the coral were...

Magical Corals,

1

2

a handsome and wise
Octopus king called Oberon,

a brave and beautiful Jellyfish
Queen called Titania,

3

4

Angelfish

a young Angelfish who
was scared and alone,

5

Seahorses

four bright Seahorses called...
(...to be decided!)
(So tiny you could hardly see them).

6

A mischievous fairy
called Puck,

7

and finally, an Merman called
Nick Bottom, who was lost in
the magical coral reef.

8

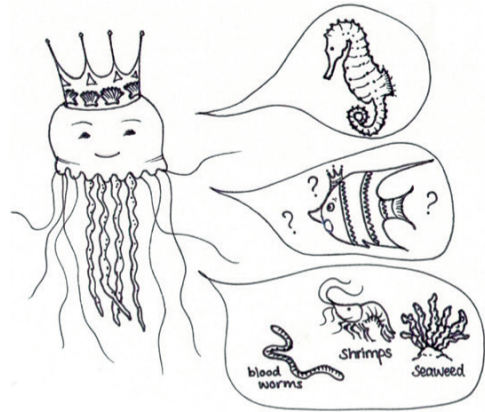

Midsummer Night

One Midsummer night Under the sea and magical coral reef came alive. The branches of the coral swayed and swished.

Titania called for her Seahorses...

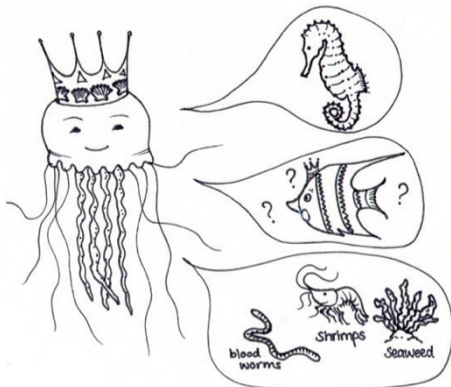

9

“(...to be decided) Titania whispered, “Look!”

“I have found a scared young Angelfish!”

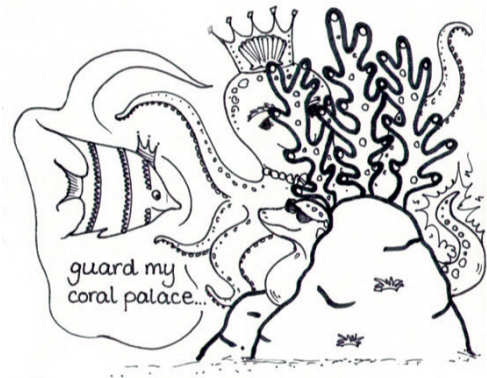

10

Bring me delicious bloodworms, shrimps and seaweed for him.”

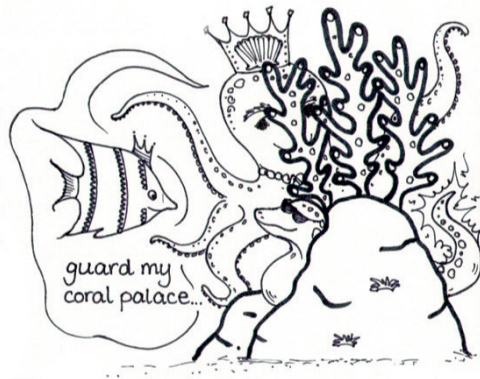

“Yes, your Majesty,” replied the Seahorses and they fluttered away.

11

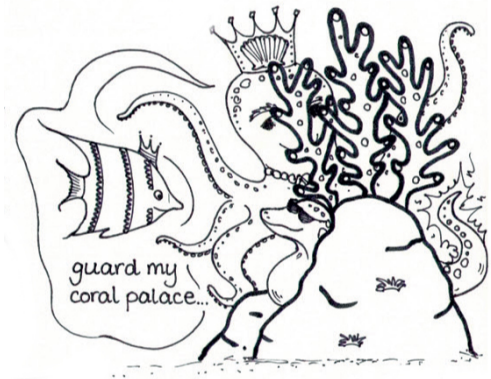

Behind a magical coral, Oberon and Puck were listening and plotting.

12

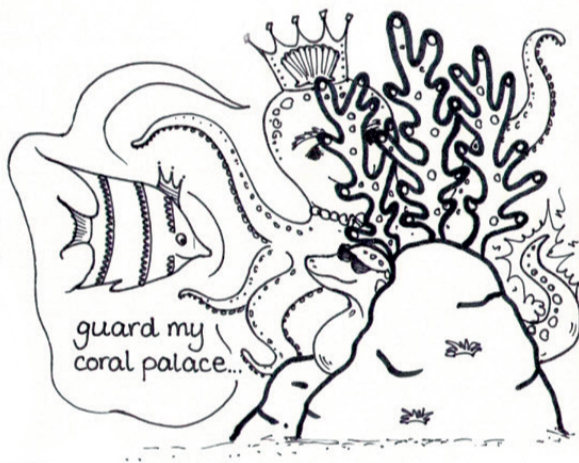

Oberon murmured:
“That Angelfish would make a
bright guard at my coral
palace.”

13

“Puck, stop those Seahorses
whilst I kidnap the Angelfish
from Titania.”

14

Oberon swam over to Titania
and bellowed, “Titania,
handover the Angelfish! I want
him to guard my coral palace.”

15

Titania was very cross she
shouted back, “NO Oberon,
stopped scaring the young
Angelfish.”

16

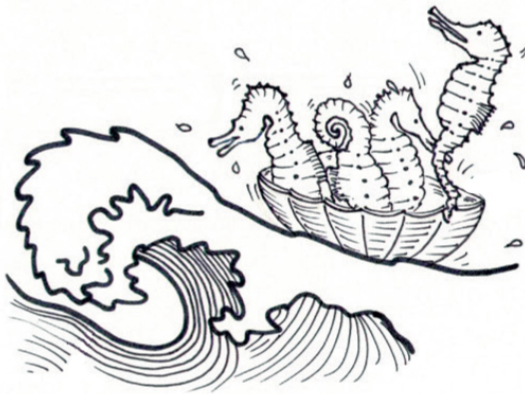

Oberon: "Mine!"
Titania: "NO!"
Oberon: "Mine!"
Titania: "NO!"

17

Backwards and forwards they argued, making the sand swollen the sea swell.

18

The Sea horses were terrified and hid, then floated along in empty cockleshells
